

Where Form Meets Function...

Sandalwood

Victorian Gray

Printed colors may vary from actual product.

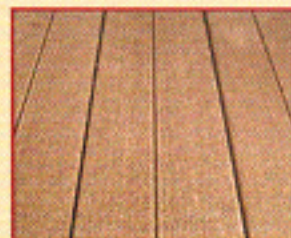

Introducing Dream® Composite Deck

Thermal Industries, an innovator in the outdoor products industry, introduces a composite decking system that combines beauty, form and function for today's fast-growing composite decking market.

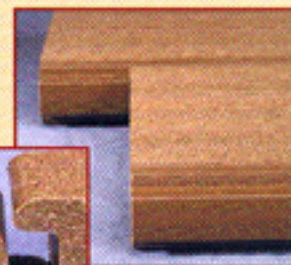

Dream® Composite Deck features a beautiful wood look without the fading and warping that can ruin wood over time. Additionally, Dream® Composite with PFP (Purified Fiber Process) eliminates the drastic color change associated with other composites, so it looks virtually new after years of enjoyment. Dream® Composite Deck owners can be assured they are adding beauty, durability and value to their homes.

Features...Advantages...Benefits

- **20-Year Limited Warranty**
Advantage: Strongest in the industry; most composites offer 10-year warranty
Benefit: Proven quality you can trust
- **Attractive Double Rough-Sawn Finish with Top V-Groove Design**
Advantage: Attractive styling with reversible finish
Benefit: Choice of multiple design patterns
- **Fade-Resistant, Patented Purified Fiber Process (PFP)**
Advantage: Retains original color considerably longer than other composites
Benefit: Lasting beauty
- **Quick and Easy to Install**
Advantage: Self-spacing Tongue and Groove design
Benefit: Saves time! Saves labor!
- **Superior Strength and Durability**
Advantage: 30-50% stronger than other composite materials
Benefit: Will not warp, rot, decay or check; termite-resistant
- **Low Maintenance**
Advantage: Does not require annual staining or sealing
Benefit: More leisure time to enjoy the deck
- **Easy to Clean**
Advantage: Cleans with household cleaners and water from a garden hose
Benefit: No special deck brightener or chemicals needed
- **Barefoot Friendly**
Advantage: Will not splinter
Benefit: Safe for bare feet
- **Brushed Finish**
Advantage: Slip-Resistant
Benefit: Safe to walk on
- **Environmentally Responsible**
Advantage: Non-toxic materials; no hazardous chemicals or preservatives
Benefit: Safe for children and the environment
- **Complies with ICC-ES Legacy Report No. 21-71**
