

Introducing... Dream® Deck 4000 with Vy-Grain™!

Thermal Industries, an innovator in the outdoor products industry, introduces the Dream®Deck 4000 Vinyl Deck Plank. The embossed Vy-Grain™ surface is a unique textured woodgrain pattern, offering the look of wood with virtually no maintenance. In addition, Dream®Deck 4000 easily installs like wood flooring with its tongue and groove design, giving the surface of your deck a clean, fastener-free appearance. Revolutionary, Dream®Deck 4000 with Vy-Grain™ provides homeowners a refreshing alternative to beautifying their homes while enjoying the great outdoors.
